DMI MEMBER STORIES

“Between the **DMI Specialist** management team, comprehensive learning content and weekly blogs on the Digital Marketing Institute website, I felt that my learning experience was very well supported overall.”

Anna Moldovan, Google

“I had heard a lot of reviews from people in the industry about the benefits of being a **DMI Member**. Additionally, the chance to learn from the very tenured lecturers that they have on staff was the main draw for me.”

Kelly Herbst, Hubspot

HOW WILL I LEARN?

We live our promise of new and relevant. ‘No point learning new stuff in tired old formats’ – our clever new Learning Platform is what they talk about when they talk about immersive. The user experience is smooth, seamless and all about you. Let it make you smart and happy on desktop, mobile or tablet.

Here’s how the latest version walks the talk on new:

- Short courses called **DMI SPRINTS** (Analytics, Content Marketing, GDPR, UX Essentials, CX Essentials, Graphic Design). They’re called sprints because this is efficient learning that takes you where you want to go – fast
- Up to 60% more learning interactions
- Bite-sized lessons (10-20 minutes)
- Practical live classrooms each month on the latest trending topics and updates to platforms

But that’s not all. We have also created a 360 degree learning environment for you, which we call **MYDMI**.

Our immersive learning platform **MYDMI**

CERTIFICATION AND BEYOND

The course ends. Your new life begins.

But first comes **The Test**. Yes, it's an assessment but not as you know it. **The Test** is punchy, focused and dynamic. It happens via a screen (of course). Questions come in different formats including text-based multiple choice; image-based multiple choice, matching and hot spot questions. We use the *Pearson VUE* test centre network which has over 5,200 centres in 180 countries.

You can take **The Test** anywhere in the world; everybody gets the same experience. It lasts 120 minutes, and afterwards (fingers crossed) you are never quite the same. You are a new kind of marketeer, a **DMI Certified** digital animal ready to thrive in the digital jungle. What's more, your slick new **DMI Certification** works as a virtual passport. It looks sharp and is recognised at the door of (just about) all the best opportunities.

Our Certifications are mapped to the European Qualifications Framework (**EQF**) AND positioned within the European Higher Education Area (**EHEA**), a 'translation tool' between different qualifications systems. And both these facts are a big deal. They mean your **DMI Certification** gets recognised at a glance, fits within other educational frameworks and has value beyond borders. With **DMI Certification**, nothing gets lost in translation.
